Indoor Video Intercom

LB-VUIN1016W

Cloud-Based Smart Intercom

Access Control & Communications

Welcome to the all-in-one indoor intercom solution for multi-family and commercial properties, designed to simplify communication, visitor management, and access control from a single, easy-to-use dashboard.

The LB-VUIN1016W is an indoor video intercom for shared entrances in multifamily and commercial properties. With a compact display, it is ideal for lobbies and business suite doors. Residents, employees and staff can receive visitor calls and manage permitted entry through the LobiBox mobile app and administrator tools.

Key Features

Door/Gate Schedules
Set programmed open hours for each business location.

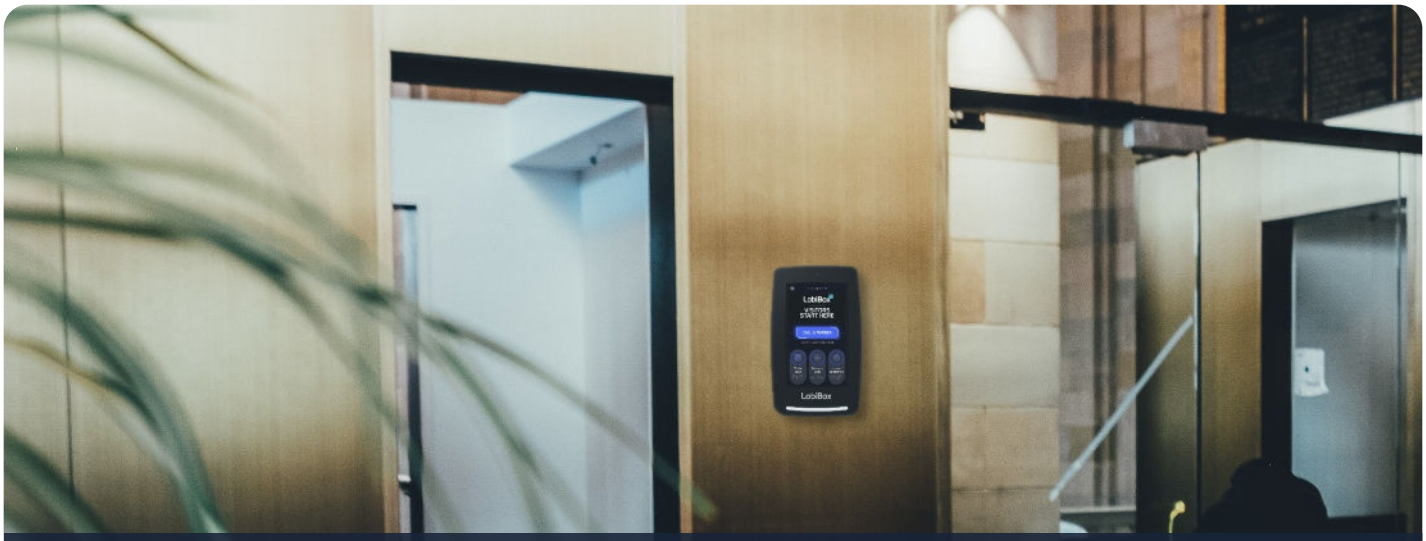

Intelligent Access
Ensure tenants and visitors have access only to where they need.

Central Station
Easily manage multiple locations from one central dashboard.

Elevator Controls
Manage which floors tenants and visitors can access.

Temporary Visitors
Send custom, self-expiring access codes to visitors.

Visitor Images
Log an image of every visitor, ensuring a secure audit trail.

COMMON APPLICATIONS Multi-Tenant Apartments • K-12 Schools • Commercial Offices • Business Suites • Co-Working Spaces
