Outdoor Video Intercom

LB-VUOD1117W

Cloud-Based Smart Intercom

Access Control & Communications

Welcome to the all-in-one intercom solution for multi-family and commercial properties, designed to simplify communication, visitor management, and access control from a single, easy-to-use dashboard.

The LB-VUOD1117W outdoor-rated intercom delivers seamless and secure access for any property, combining durability, a modern design, and advanced visitor management and access control functions in one connected system. High-definition video, two-way audio, detailed event reporting and remote management through a central dashboard keep the entrance safe, efficient and easy to use.

Key Features

Door/Gate Schedules
Set programmed open hours for each business location.

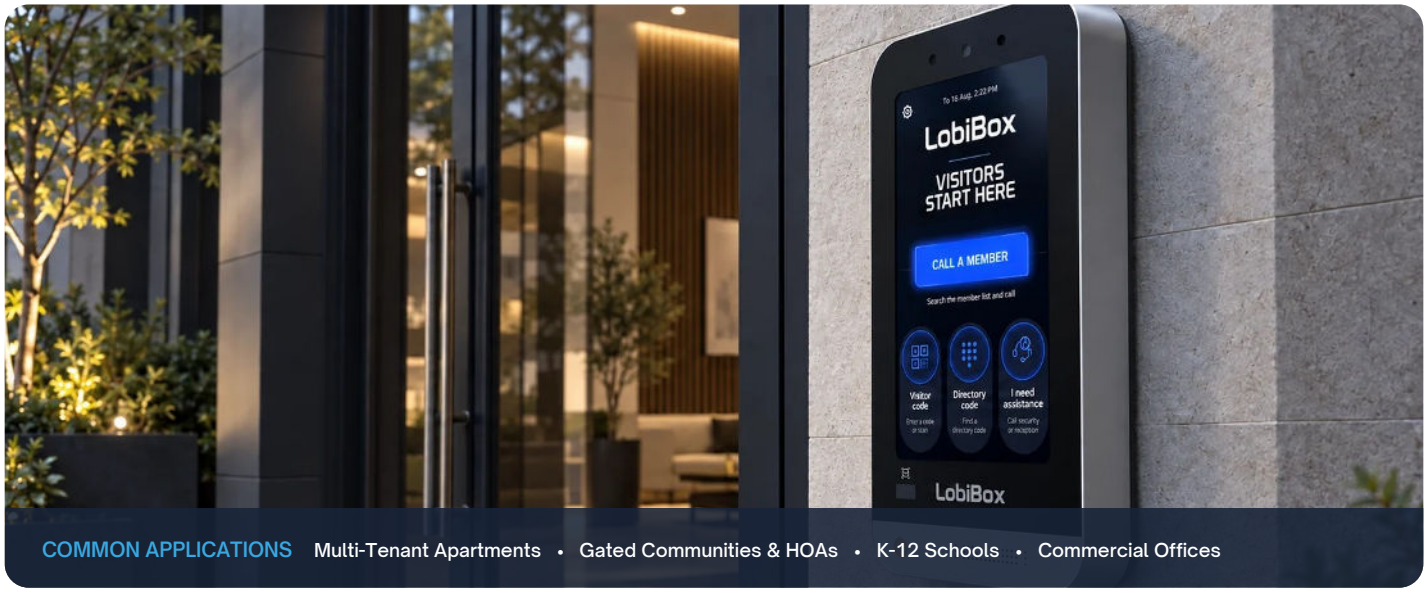

Intelligent Access
Ensure tenants and visitors have access only to where they need.

Central Station
Easily manage multiple locations from one central dashboard.

License Plate Access
Provide automated license plate recognition for tenants and visitors.

Temporary Visitors
Send custom, self-expiring access codes to visitors.

Visitor Images
Log an image of every visitor, ensuring a secure audit trail.

COMMON APPLICATIONS Multi-Tenant Apartments • Gated Communities & HOAs • K-12 Schools • Commercial Offices
